

P30-U

Android payment terminal

UNISOC Edition

High-performance design for payment
and business convergence.

- **Performance without limits**

Faster check-outs. Smoother operations

With next-gen processing power, LANDI P30 handles demanding apps, multitasking tasks and high transaction volume - without breaking a sweat.

- **A larger screen for a better experience**

More space. More clarity. More confidence

A stunning 6.5" display gives your staff and customers more room to see, sign and interact.

- **Sleek look, serious business**

Looks as smart as it works.

Its sleek, ergonomic design reinforces your brand's image - making every transaction feel like a premium experience.
