

P30 Dual

Android payment terminal

Full-featured payment device with 2nd screen for seamless customer interaction.

LANDi www.landiglobal.com

Specifications and features are preliminary and may be modified before product release.

- **Engage from every angle**

More connection. Less friction

With its innovative dual-screen design and stunning 6.5" display, LANDI P30 Dual lets merchants and customers interact simultaneously - enhancing engagement, streamlining transactions and eliminating the need to flip the device

- **Performance without limits**

Faster check-outs. Smoother operations

With next-gen processing power, LANDI P30 Dual handles demanding apps, multitasking tasks and high transaction volume - without breaking a sweat.

- **Designed to impress from both sides**

Elegant form. Exceptional function.

With a high-definition main display paired with a sleek, ergonomic build, the P30 Dual delivers a modern look that elevates your brand while providing a smooth, premium checkout experience for every customer.
