

P30 Tablet

PCI Android Payment Tablet

**The ultimate payment tablet for all
mobile and retail use cases.**

- **One device. Endless business possibilities**

Smarter payments. Simpler operations.

Combining secure payments, Android 14, and GMS, the P30 Tablet enables merchants to run payment and retail applications on a single mobile device for seamless in-store service.

- **Built for modern commerce**

Secure today. Ready for tomorrow.

With PCI v7-ready security, 4G, Wi-Fi 6E, Bluetooth 5.3, and flexible accessories, the P30 Tablet adapts easily to different retail and business scenarios.

- **More power for every customer interaction**

Faster service. Better experiences.

Featuring an 11" touchscreen, powerful performance, professional scanning, cameras, and long battery life, the P30 Tablet supports faster service and smoother customer experiences.
